

**Remarks:**

The subject matter in Claim 4, and Claim 2 on which it depended, was incorporated into Claim 1. Claim 5 now depends on Claim 1 instead of Claim 4.

Amended Claim 1 now contains the limitations of prior Claim 2 and prior Claim 4. The dependency of Claim 5 was changed to be consistent with the changes.

The claims should now be allowable. Please call if anything further is required.

.Respectfully submitted

Richard D. Stone
